

Johdatus monikulttuurisuuteen

Keith O'Hiobhaird, Lahden ammattikorkeakoulu

Only things I "knew" about Finland

- Paavo Nurmi
- Where it is
- Capital
- Must be cold
- Language from hell

What I picked up about Finland

- Not necessarily rich, but definitely not poor
- everything works, and basically, well
- quiet, safe
- most people have enough friends, they're not looking for new ones

What I learned, being in Finland

- It's possible to spend time alone
- -26 C isn't too cold for cycling. I learned *sisu*.
- It's OK to see old people naked
- Sitting in a room of + 80 C is pure joy

What I will never learn, being in Finland

- The Finnish "*peruslukema*" face isn't anger
- *Kun väki vähenee, pidot paranee*
- If you're not drunk, you're not really having a good time
